EN - SAFETY INSTRUCTIONS

Thank you for purchasing this Philips product, we highly appreciate your choice for the Philips brand and wish you lots of pleasure using your product. This manual B contains definitions of all potentially applicable parameters & specifications with icons, as per International norms and safety standards. However not all of them may be applicable for the product you purchased - please refer to the icons in the Manual A, for the ones which are particularly applicable for this product.

The manufacturer advises the correct use of lighting fittings! Therefore always follow these instructions to ensure correct and safe installation and functioning of the fitting, and keep them for future reference. Always consult a professional in advance, for choosing the right fastener for a secure mounting of the product. Take into account the weight of the product and the material of the mounting surface. If in doubt, consult a qualified or licensed electrician or contact your retail outlet. Ensure the product is always installed according to relevant regulations. Certain regulations indicate that electrical products must be installed only by a licensed electrician (e.g. Part P for the UK, AS/NZS3000 IN for AUSTRALIA /NEW ZEALAND). Always switch off the power prior to installation, maintenance or repair activities. Observe the correct colour of the wiring before installation: blue (N), brown (L) and if protection class I, yellow/green (earth). Mount wall lights out of children's reach. If the product is mounted on a metallic surface, this surface must be bonded to the protective earth conductor or to the equipotential bonding conductor of the installation. Always tighten the terminal screws firmly, especially attachments for low voltage wiring (12 V) (if applicable). It is highly recommended to regularly check and re-tighten the terminal screws over time. Keep packaging materials out of children's reach. (e.g. plastic bags,...). Maintain interior lighting with a dry cloth duster, do not use abrasives or solvents. Avoid liquids on all electrical parts. Immediately replace a cracked or broken translucent cover and only use manufacturer approved parts. It is advised to only use "Philips"-branded bulbs.

⌧ Please inform yourself about the local waste disposal, separation and collection system for electrical and electronic products and packaging. Please act according to your local rules and do not dispose your old product and packaging with your normal household waste. The correct disposal of the packaging, your product and/or batteries will help prevent potential negative consequences for the environment and human health. Batteries should be disposed separately from the municipal waste stream via designated collection facilities. When disposing a product that contains non-user replaceable batteries, the non-user replaceable batteries shall be removed by a professional.

ATTENTION: Below you will find all the explanations with numeric reference to the icons respectively in front of these safety instructions: 01) The product should only be installed indoors. 02) The product is not suitable for installation in bathrooms, certainly not in the specified zone. 03) The product is not suitable for direct mounting on normally flammable surfaces. 04) The product is not suitable for covering with thermally insulating material. 05) The product is only suitable for mounting on the ceiling. 06) The product is only suitable for mounting on the wall. 07) The product is suitable for mounting on the wall or on the ceiling. 08) Always take into consideration the minimum distance, as indicated on the icon, between the lamp and the lighted object. 09) IPX1: The product is protected against dripping water. IPX3: The product may be exposed to raindrops (falling drops under a maximum angle of 60° to the vertical axis). IPX4: The product is splash-proof: It may be exposed to splashing water coming from any direction (360°). IPX5: The product is protected against water jets. IPX7: The product can be installed into the ground. IPX8: The product is protected against immersion up to the indicated depth. • IP5X: The product is dust protected. IP6X: The product is dust tight. 10) Immediately replace a cracked or broken safety glass and only use borosilicate parts of the same dimensions, with a minimum thickness of 3 mm. 11) Protection class I: the product or component has an earthing connection. The earth wire (yellow/green) has to be connected to the terminal marked with class I logo. 12) Protection class II: the product or component is provided with double or reinforced isolation. 13) Protection class III: the product or component is only suitable for extra low voltage supply (<50Va.c.; <120Vd.c.). 14) Strip the wire as indicated on the icon. 15) The earthing wire always has to be longer than the brown live (L) and blue neutral (N) wire. 16) The use of the supplied heat-resistant sleeving is required over the unstripped wire lengths. 17) The product is only suitable for wiring directly to the electrical mains supply. 18) In case of damage to the wire: • X-connection; Replace it by a wire of the same type. • Y-connection; Only to be replaced by the manufacturer, distributor or by an expert, to avoid risks. • Z-connection: The cord cannot be replaced, the luminaire must be destroyed. 19) MAX. ...W: only use bulbs suitable for this product and keep within the maximum specified wattage. 20) The product is only suitable for reflector bulbs. 21) The product is only suitable for CFL-i or LED-bulbs (e.g. E14, E27, Gu10, Gx53, ...) 22) The product is not suitable for CFL-i or LED-bulbs (e.g. E14, E27, Gu10, Gx53, ...) 23) Only a bulb with a diameter of 60 mm can be used. A bulb with a 45 mm diameter must not be used for this product. 24) Only use a globe bulb that has the size of the indicated diameter. Never use a standard incandescent bulb. 25) The product is only suitable for candle shaped bulbs. 26) The product is only suitable for a bulb with built-in safety glass or a low pressure bulb. An extra safety glass is not necessary. 27) Capsule and linear halogen bulbs may not be touched by bare hands. 28) The product is equipped with a fuse. If the product is out of order after bulb replacement, the internal fuse has to be replaced.This must be done by a qualified electrician if contact with internal wiring can be made. 29) The product is dimmable with the supplied dimmer or with a (not included) dimmer connected to the electrical installation of the home. For reference please visit "www.philips.com". Consult a qualified electrician for choosing the suitable dimmer type. 30) The product is not dimmable. 31) The product is dimmable with the supplied dimmer ONLY. Do not connect to an additional dimmer. 32) The dimmability features depend on the chosen lamp. More information on the dimmability features is available in the information pack provided with the bulb. 33) The product is working with a safety transformer. Replace a broken transformer only with a transformer with identical technical specifications. Consult a qualified electrician or your retail outlet. 34) Product for rough service. 35) Product with time and light setting options. Minimum and maximum values are indicated on the icon. 36) The product can be mounted up to a maximum height of 6 m. 37) For reliable operation, you have to mount the product on the specified height as indicated on the icon. The maximum and minimum reach of the detector is also indicated. 38) The standard active range of vision of the detector covers the given degrees indicated on the icon. 39) This product should be mounted horizontally. For longer life, the bulb should not be at an angle greater than 4 degrees. 40) Ensure not to drill through electrical wires or any other obstruction in the wall or ceiling during installation! 41) If the product is mounted onto a ceiling-box or wall-box, it is obliged to cover the box with a lid first. (e.g. The Netherlands) 42) Electrical wiring may never be clamped or twisted between the product and the mounting surface! 43) Parts of this product may get hot. 44) This product is not suitable for children under Y years. 45) The product is only suitable for persons above Y years. 46) Mount the product out of arm reach (X1: for children, X2: for adults). 47) Product to be installed by two people. 48) To avoid corrosion, clean the luminaire a minimum of 2 times per year with a soft cloth and a neutral detergent.(4 times in coastal or industrial areas). 49) The product is only settable during installation by means of a tool. 50) Caution: Risk of electric shock! The light

source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person. 51) Replaceable (LED only) light source by an end-user. 52) Replaceable light source by an end-user. 53) Replaceable (LED only) light source by a professional: The LED light source contained in this luminaire shall only be replaced by the manufacturer or its service agent or a similar qualified person. 54) Replaceable light source by a professional. 55) Non-replaceable light source: The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced. 56) Replaceable control gear by an end-user. 57) Replaceable control gear by a professional. 58) Non-replaceable control gear. 59) Do not use the control device with wet hands, in areas directly exposed to water or outdoors. 60) Do not stare at the operating light source.

Energy Labelling Regulation (EU)2019/2015: 61) This product contains a light source of energy efficiency class A. 62) This product contains a light source of energy efficiency class B. 63) This product contains a light source of energy efficiency class C. 64) This product contains a light source of energy efficiency class D. 65) This product contains a light source of energy efficiency class E. 66) This product contains a light source of energy efficiency class F. 67) This product contains a light source of energy efficiency class G

This product is specifically designed and developed for domestic use in normal conditions and operation only. The lifetime mentioned on the packaging is an average only (in accordance with standards L70B50 and IEC60969 norms) and is based on an average of 3 burning hours per day. If you encounter any difficulties with the use of the product, we recommend that you first consult the user manual and the information on our website. Subject to the terms and conditions hereof, we as the manufacturer (Signify Netherlands B.V., International Business Reply Service I.B.R.S. / C.C.R.I. Numéro 10461 5600 VB Eindhoven, The Netherlands) warrant that the product is free from defects in materials and workmanship for a period of two (2) years after the date of purchase, unless a different period is stated in or on the packaging of the product and subject to maintenance of the product in accordance with the care and cleaning instructions laid down in the user manual. Unless statutory provisions of applicable law regulate otherwise, our obligations under warranty will be limited, at our option, to either repair, to provide a replacement product for the defective product or to offer an appropriate credit for the purchase price for the defective product. (De)mounting and/or (de)installation and labour costs are excluded from warranty, as well as broken glass, batteries and replaceable bulbs. Our remedies under warranty will not extend or renew the original applicable warranty period. We are entitled, at our option, to replace the defective product covered by warranty, with a product that has minor deviations in design and/or specifications which do not affect the functionality of the product. In order to be entitled to make a valid claim under this warranty, you must present to us (or our representative) on request, an adequate receipt of your purchase and the defective product for analysis. To the maximum extent permitted by applicable law, this policy sets out our entire liability as the manufacturer, in connection with defective or non-conforming products. We will not be liable to you for other losses or indirect or consequential damages (including but not limited to loss of data or loss of income), nor compensate you for activities such as regular maintenance, saving or restoring data. Your statutory rights arising from applicable law are not affected by this warranty policy. If you offer your product for service in a country other than the country where you purchased the product, we will try to have your product serviced against the warranty terms of the country where you purchased the product. To obtain service within the warranty period, please contact your dealer or the Philips Consumer Care center. The contact details can be found on: www.philips.com/lighting Alterations in design and technical specifications reserved. AU/NZ - WARRANTY

Thank you for purchasing this Philips product, we highly appreciate your choice for the Philips brand and wish you lots of pleasure using your product. This manual B contains definitions of all potentially applicable parameters & specifications with icons, as per International norms and safety standards. However not all of them may be applicable for the product you purchased - please refer to the icons in the Manual A, for the ones which are particulary applicable for this product.

WARNINGS AND CAUTIONS FOR PRODUCTS USING BATTERIES: Risk of explosion if the battery is replaced by an incorrect replacement. Batteries should be installed by an adult. Different types of batteries and new and used batteries must not be mixed. Batteries are to be inserted with the correct polarity. The supply terminals must not be short-circuited. Exhausted batteries are to be removed. Do not use rechargeable batteries. Non-rechargeable batteries must not be charged.

EXTRA WARNINGS AND CAUTIONS FOR PRODUCTS USING COIN/BUTTON BATTERIES:
CAUTION: Do not ingest battery – Chemical burn hazard. Keep new and used batteries away from children. If the coin/button cell battery is swallowed, it can cause severe internal burns in just two hours and can lead to death. If you think that batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention. If the battery compartment does not close securely, stop using the product and keep it away from children.

This product is specifically designed and developed for domestic use in normal conditions and operation only. The lifetime mentioned on the packaging is an average only (in accordance with standards L70B50 and IEC60969 norms) and is based on an average of 3 burning hours per day. If you encounter any difficulties with the use of the product, we recommend that you first consult the user manual and the information on our website. Subject to the terms and conditions hereof, Signify as the manufacturer, warrant that the product is free from defects in materials and workmanship for a period of one (1) year after the date of purchase, unless a different period is stated in or on the packaging of the product and subject to maintenance of the product in accordance with the care and cleaning instructions laid down in the user manual. Unless statutory provisions of applicable law provide otherwise, our obligations under warranty will be limited, at our option, to either repair, provide a replacement product for the defective product or to offer an appropriate refund for the purchase price for the defective product. (De)mounting and/or (de)installation, and labor costs are excluded from warranty, as well as broken materials, batteries and replaceable bulbs. Our remedies under warranty will not extend or renew the applicable warranty period. We are entitled, at our option, to replace the defect product covered by warranty with a product that has minor deviations in design and/or specifications which do not affect the functionality of the product in the event that a same product is unavailable. In order to be entitled to make a valid claim under warranty, you must present to us (or our representative) on request an adequate receipt of your purchase and the defect product for analysis. To the maximum extent permitted by applicable law, this policy states the entire liability of us in connection with defective or non-conforming products. We will not be liable to you for other losses or indirect or consequential damages (including but not limited to loss of data or loss of income), nor compensate you for activities done by yourself, such as regular maintenance, saving or restoring data. Your statutory rights arising from applicable law are not affected by this voluntarily provided manufacturer's warranty. If you purchased this Philips product within Australia, please note that our products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. To inquire service within the warranty period, please contact your dealer or the Philips Consumer Care center. The contact details can be found on: www.philips.com/lighting. Alterations in design and technical specifications reserved. Philips and the Philips Shield Emblem are registered trademarks of Koninklijke Philips N.V.

Installationssteg
Kopplingsplint ingår inte, Installationen måste utföras av en behörig yrkesman.
Se installationsmanualen för detaljerade steg.
Starta WiZ-appen för att ansluta produkten.

Garanti
Garantin är föremål för strikta villkor. Mer information finns på vår webbplats: www.lighting.philips.com/consumer

Trådlös specifikation:
Trådlöst frekvensband (RF): 2 400–2 483,5 MHz
Max. överförd effekt:
Wi-Fi: max 20 dBm
Bluetooth: max 10 dBm
Produkterna får inte användas med dimmer, använd WiZ för dimning.
På/av-funktionalitet finns utan Wi-Fi-anslutning.
Signify intygar härmed att radioutrustning av typen smarta lampor uppfyller direktiv 2014/53/EU (RED). Den fullständiga texten av EU-försäkran om överensstämmelse finns tillgänglig på följande internetadress: www.lighting.philips.com/consumer.
Wi-Fi® och Wi-Fi-CERTIFIED-logotypen är registrerade varumärken som tillhör Wi-Fi Alliance.
Wi-Fi CERTIFIED™, WPA2™, WPA3™ är varumärken som tillhör Wi-Fi Alliance.
Bluetooth®-ordet och -logotyperna är registrerade varumärken som tillhör Bluetooth SIG, INC.
Amazon, Alexa och alla relaterade logotyper är varumärken som tillhör Amazon.com, Inc eller dess dotterbolag.
Google är ett varumärke som tillhör Google LLC, Siri är ett registrerat varumärke som tillhör Apple Inc.
All användning av sådana märken från Signify sker under licens.
Andra varumärken och varunamn tillhör respektive ägare.

FI

Asennuksen vaiheet
Riviliitin ei sisälly toimitukseen. Asennuksen saa suorittaa vain valtuutettu henkilö.
Katso tarkat ohjeet asennusoppaasta.
Käynnistä WiZ-sovellus tuotteen yhdistämistä varten.

Takuu
Takuuta koskevat tiukat käyttöehdot, joista lisätietoja on verkkosivustollamme: www.lighting.philips.com/consumer

Langattoman käytön tekniset tiedot:
Langattoman käytön radiotaajuuskaista: 2 400 – 2 483,5 MHz
Enimmäislähetysteho:
Wi-Fi: maks. 20 dBm
Bluetooth: maks. 10 dBm
Tuotteita ei saa käyttää himmentimien kanssa. Käytä himmentämiseen WiZ-sovellusta.
Lampun saa päälle ja pois ilman Wi-Fi-yhteyttä.
[Signify] vakuuttaa täten, että langaton älyvalaisimissa käytettävä radiolaitetyyppi on direktiivin 2014/53/EU (RED) mukainen. EU:n vaatimustenN mukaisuusvakuutuksen koko teksti on saatavana seuraavassa sivustossa: www.lighting.philips.com/consumer.
Wi-Fi ja Wi-Fi CERTIFIED -logo ovat Wi-Fi Alliancen rekisteröityjä tavaramerkkejä.
Wi-Fi CERTIFIED™ ja WPA2™, WPA3™ ovat Wi-Fi Alliancen tavaramerkkejä.
Bluetooth -sana ja -logot ovat Bluetooth SIG,INC:n rekisteröityjä tavaramerkkejä.
Amazon, Alexa ja kaikki niihin liittyvät logot ovat Amazon.com, Inc:n tai sen tytäryhtiöiden tavaramerkkejä.
Google on Google LLC:n tavaramerkki. Siri on Apple Inc:n rekisteröity tavaramerkki.
Signifyn mahdollisesti käyttämiä ne on lisensoitu asianmukaisesti.
Kaikki muut tavaramerkit ja kauppanimet ovat omistajayritystensä omaisuutta.

ES

Pasos de la instalación
Bloque de terminales no incluido. La instalación debe estar a cargo de una persona cualificada.
Consulte el manual de instalación para ver los pasos detallados.
Inicie la aplicación Wiz para conectar el producto.

Garantía
La garantía está sujeta a condiciones de uso estrictas; para obtener más información, visite nuestro sitio web: www.lighting.philips.com/consumer

Especificación inalámbrica:
Banda de frecuencia de modo RF inalámbrica: 2400 – 2483,5 MHz
Potencia máxima transmitida:
Wi-Fi: máx. 20 dBm
Bluetooth: máx. 10 dBm
Los productos no se utilizarán con reguladores, para la regulación utilice la aplicación WiZ.
Funcionalidad de encendido/apagado disponible sin conectividad Wi-Fi.
Por la presente, Signify declara que el tipo de equipo de radio, luminarias inteligentes, cumple con la Directiva 2014/53/EU (RED). El texto completo de la declaración de conformidad de la UE está disponible en la siguiente dirección de internet: www.lighting.philips.com/consumer.

Postopek namestitve
Priključni blok ni priložen. Namestitev mora opraviti usposobljena oseba.
Podrobna navodila po korakih za namestitev so v priročniku za namestitev.
Odprite aplikacijo WiZ, da vzpostavite povezavo z izdelkom.

Garancija
Za jamstvo veljajo strogi pogoji uporabe. Več informacij je na našem spletnem mestu: www.lighting.philips.com/consumer

Specifikacija brezžičnega delovanja:
Frekvenčni pas brezžičnega RF-načina: 2400–2483,5 MHz
Največja oddajna moč:
Wi-Fi: največ 20 dBm
Bluetooth: največ 10 dBm
Izdelki niso za uporabo z zatemnilniki. Za zatemnitev uporabite aplikacijo WiZ.
Možnost vklopa/izklopa je na voljo brez povezave Wi-Fi.
Signify s tem izjavlja, da radijska oprema tipa pametne svetilke ustreza direktivi 2014/53/EU (RED). Celotno besedilo izjave EU o skladnosti je na voljo na naslednjem spletnem naslovu: www.lighting.philips.com/consumer.
Wi-Fi in logotip Wi-Fi CERTIFIED sta zaščiteni blagovni znamki združenja Wi-Fi Alliance.
Wi-Fi CERTIFIED™ in WPA2™, WPA3™ so blagovne znamke združenja Wi-Fi Alliance.
Beseda in logotip Bluetooth® sta zaščiteni blagovni znamki v lasti družbe Bluetooth SIG, INC.
Amazon, Alexa in vsi povezani logotipi so blagovne znamke družbe Amazon.com, Inc ali njenih povezanih podjetij.
Google je blagovna znamka družbe Google LLC. Siri je zaščitena blagovna znamka družbe Apple Inc.
Vsakršna uporaba teh znamk s strani družbe Signify je licencirana.
Druge blagovne in trgovske znamke so last svojih lastnikov.

Чекори за монтирање
Терминалниот блок не е вклучен. Инсталирањето мора да го извршува квалификувано лице.
Погледнете ги упатството за монтирање за детални чекори.
Пуштете ја апликацијата WiZ за да го поврзете производот.

Гаранција
Гаранцијата е подложна на строги услови на користење, за повеќе информации, посетете ја нашата веб-страница: www.lighting.philips.com/consumer

Спецификации за безжичниот тип:
Безжичен режим PD со опсег на фреквенција: 2.400 – 2.483,5 MHz
Максимална пренесена моќност:
Wi-Fi: макс. 20 dBm
Bluetooth: макс. 10 dBm
Производот не треба да се користи со потенциометри, наместо тоа користете ја апликацијата WiZ.
Функционалноста за вклучување/исклучување е достапна без поврзување на Wi-Fi.
Signify со ова изјавува дека радио опремата од типот паметни светилки е во согласност со директивата 2014/53/ЕУ (RED). Целосниот текст на ЕУ декларацијата за усогласеност е достапен на следната интернет адреса: www.lighting.philips.com/consumer.
Wi-Fi®, логото Wi-Fi CERTIFIED се регистрирани трговски марки на Wi-Fi Alliance.
Wi-Fi CERTIFIED™, WPA2™, WPA3™ се трговски марки на Wi-Fi Alliance.
Зборот и логоата Bluetooth® се регистрирани трговски марки во сопственост на Bluetooth SIG,INC.
Amazon, Alexa и сите нивни логоа се трговски марки на Amazon.com,Inc или на неговите соработници.
Google е трговска марка на Google LLC. Siri е регистрирана трговска марка на Apple Inc.
Секое користење на таквите марки од страна на Signify е по лиценца.
Другите трговски марки и трговски имиња се сопственост на нивните соодветни сопственици.

Стъпки за монтаж
Клемният блок не е включен. Монтажът трябва да се извърши от квалифицирано лице.
Моля, вижте ръководството за инсталиране за подробна информация относно стъпката.
Стартирайте приложението WiZ, за да свържете продукта.

Гаранция
Гаранцията подлежи на строги условия за употреба, за повече информация, моля, посетете нашия уебсайт: www.lighting.philips.com/consumer

Безжични спецификации:
Честотна лента на безжичен RF режим: 2400 – 2483,5 MHz
Максимална мощност на предаване:
Wi-Fi: макс. 20 dBm
Bluetooth: макс. 10 dBm
Продуктите не трябва да се използват с димери, за затъмняване използвайте приложението WiZ.
Функция за включване/изключване без свързване с Wi-Fi.
С настоящото Signify декларира, че радиосъоръженията от типа интелигентни лампи съответстват на Директива 2014/53/ЕС (RED). Пълният текст на декларацията за съответствие на ЕС е наличен на следния интернет адрес: www.lighting.philips.com/consumer.
Логата Wi-Fi® и Wi-Fi CERTIFIED са регистрирани търговски марки на Wi-Fi Alliance.
Wi-Fi CERTIFIED™ WPA2™, WPA3™ са регистрирани търговски марки на Wi-Fi Alliance.
Думата и логата Bluetooth® са регистрирани търговски марки на Bluetooth SIG,INC.
Amazon, Alexa и всички свързани лога са търговски марки на Amazon.com, Inc или нейните филиали.
Google е запазена марка на Google LLC. Siri е регистрирана търговска марка на Apple Inc.
Всяко използване на такива марки от Signify е по лиценз.
Останалите търговски марки и търговски имена са на техните съответни собственици.

Этапы установки
Клеммная коробка в комплект не входит. Установку должен выполнять квалифицированный специалист.
Пожалуйста, обратитесь к руководству по установке для получения подробной информации.
Запустите приложение WiZ, чтобы подключить устройство.

Гарантия
Гарантия только при строгом соблюдении условий эксплуатации. Для дополнительной информации, посетите наш веб-сайт: www.lighting.philips.com/consumer

Характеристики беспроводного подключения:
Полоса частот, используемая для беспроводного подключения: 2400–2483,5 МГц
Максимальная мощность:
Wi-Fi: максимально 20 дБм
Bluetooth: максимально 10 дБм
Продукты не предназначены для использования с диммерами. Для регулирования яркости света используйте приложение WiZ.
Функция включения/выключения также доступна без подключения к Wi-Fi.
Настоящим Signify заявляет, что радиоустройства типа «умные лампы» соответствуют Директиве 2014/53/ЕС (RED). Полный текст декларации о соответствии ЕС доступен по следующему интернет-адресу: www.lighting.philips.com/consumer.
Wi-Fi®, логотип Wi-Fi, логотип Wi-Fi CERTIFIED являются зарегистрированными товарными знаками Wi-Fi Alliance.
Wi-Fi CERTIFIED™ и WPA2™, WPA3™ являются зарегистрированными товарными знаками Wi-Fi Alliance.
Словесный знак и логотипы Bluetooth® являются зарегистрированными товарными знаками, принадлежащими Bluetooth SIG, Inc.
Amazon, Alexa и все связанные логотипы являются товарными знаками Amazon.com, Inc.,или аффилированных компаний.
Google, Google Play и логотип Google Play являются товарными знаками Google LLC.
Логотип Apple и Siri являются зарегистрированными товарными знаками Apple Inc.
Любое использование таких знаков компанией Signify осуществляется по лицензии.
Прочие товарные знаки и торговые названия являются собственностью соответствующих владельцев.
